Bienvenido

Esta es mi primera interfaz web mejorada con Bootstrap.

A dark, atmospheric illustration of a ruined ancient city. The scene is shrouded in thick, dark smoke or mist that rises from the ground. In the center, there are several tall, dark stone pillars or columns, some of which are partially illuminated by a warm, orange light emanating from a central point. The ground is uneven and appears to be covered in ash or debris. The overall mood is mysterious and somber.
